

Supporting scientific research,  
educational resources,  
and community service for the  
massage therapy profession

Massage Therapy Foundation provides therapists with the tools and resources necessary to thrive and provide quality care

## Research and Educational Resources:

- **Research Grants**
- Open-access, peer-reviewed scientific journal—***International Journal of Therapeutic Massage and Bodywork (IJTMB)***
- **International Massage Therapy Research Conference (IJTMB)**
- Free downloads:
  - **Research Perch podcasts**
  - **Research Infographics**
  - **E-books**
  - **Webinars**
  - **Research Posters**
- **Research Literacy Courses**
- **Student Case Report Contest**
- **Poster Abstract Submission**

## Community Service Grants and Resources:

- Our **Community Service Grants** deliver the benefits of massage therapy to populations that desperately need them, but do not typically have access to therapeutic massage
- We provide therapists with resources and guidelines for creating therapeutic massage programs for community organizations
