## Cheer on Our Boston Marathon Team

**Step by step, one mile at a time**, MTF's #RunningForResearch team is giving it their all in preparation for the 2021 Boston Marathon® in order to raise critical funds for MTF. **MTF resources bridge the gap between research and practice**, giving massage therapists advantages in helping their clients. Our runners are going the extra mile to help ensure that MTF grants, conferences, and other resources are here for those who need them.
