*Happy New Year!*

## Deadline Extended—Run Boston for MTF!

The Massage Therapy Foundation is looking for eager applicants to run and raise funds for MTF in the 2022 Boston Marathon® on April 18, 2022. Four runners will be selected for Team MTF—Running for Research.

Due to a COVID-restrictive year, our minimum goal is lower for only the 2022 race—see application for details. **Deadline has been extended until the team is full; please check website/social media pages and/or contact MTF for updates.**

The Boston Marathon is the world's oldest annual marathon; and running it is a major bucket list item for serious distance runners throughout the world. **The John Hancock® Non-Profit Marathon Program** provides runners who might not otherwise qualify to run this marathon with a way to participate and raise funds for the charities which mean the most to them.
