2023 Boston Marathon Runner Application

Have you dreamed about running the world's most spectacular marathon? Dreamed of the rich history, enthusiastic locals, awesome spectators, and most of all the ability to say, "When I ran the Boston Marathon in 2023..."

Come to Boston, run 26.2! No need to have a qualifying time, just a passion to raise money for massage therapy research and then revel in your accomplishments.

Massage therapists play a big role in the annual Boston Marathon by helping athletes at all levels prepare and recover from this great event. Since 2013, Massage Therapy Foundation (MTF) has been grateful to participate in the John Hancock Non-Profit Marathon Program in order to fundraise for Team MTF— #RunningForResearch.

Simply fill in this application, pay a \$25 application fee, and tell us about how you'd love to run for charity, run for research, and/or run for fun. If chosen by the MTF Marathon Selection Committee, you can run Boston in 2023!
